Wednesday Half Holiday Again Looms Up; This Time Under Early-Closing Act

As a result of a second petition presented by D. W. Patterson on the part of the majority of the business men of the town, the Wednesday half-holiday again loomed large at the council meeting held on Monday evening. There was a large delegation of business men present.

Mr. Patterson, in addressing the council said that the petition was presented under the Early Closing Act, if two-thirds of the business men affected signed the petition, the council was bound to accept it and after three publications of the by-law, if no valid reason could be shown, the council was compelled to pass the by-law.

The petition was accepted and the requirements of the act will be met. Councilor Porteous drew attention to a letter, signed by A. D. Murphy, which appeared in The Tribune under date of June 15, in which the words "railroad men" were used. It was agreed that Mr. Murphy was mistaken, as no such words were used.

D. W. Patterson, president of the

Sentenced to Two Months For Assault

Paul Korba, charged with attempted rape, the charge being reduced by the court, was sentenced to two months in jail by the Honorable Mr. Justice Ewing at the sitting of the Supreme Court held at Grande Prairie last week.

T. W. Lawlor acted for the crown and M. W. Egan for the defense.

There were a large number of witnesses called on both sides and an interpreter was necessary the case took considerable time. Miss Stedje, linky acted as interpreter.

His Lordship in summing up stated that the evidence pointed to the fact that the accused was in a room-house alone and that owing to the nature of the evidence adduced he had more than a reasonable doubt and therefore could not find the accused guilty of the offence charged. His Lordship's evidence clearly showed, and statement of the accused admitted, there had been an assault, he would sentence the accused to two months at Fort Saskatchewan.

FINED \$2 FOR ASSAULT
Earl Cagle was fined \$2 for assaulting George Beadie.

In summing up, his Lordship, in brief, said as follows:

While there was no doubt that an assault had been committed on the complainant, committed on most distasteful provocation, and that according to the statement of Beadie in his evidence, he was called Cagle a crook he anticipated trouble and was provoked.

Under these circumstances, said his Lordship, as he was compelled to impose a penalty, he would fine the accused two dollars. This sum was paid to the clerk and the accused was discharged.

T. W. Lawlor for the Crown and M. W. Egan for the defense.

Delegation of Teachers Attend S. B. Meeting

Regular meeting of the school board was held in the town hall on the evening of June 15, with all the trustees present.

The principal business dealt with was the receiving of applications from teachers.

There were a number of teachers present and Mr. E. E. MacLachlan, principal of the public school, who was chief spokesman, asked for the terms regarding a letter sent to the teachers setting forth the salaries to be paid.

Mr. MacLachlan said that he understood that when the teachers took salary out they were to have first chance for the positions.

The secretary, Mr. E. E. MacLachlan, said that that was true, if the board considered the teacher satisfactory.

The salary schedule for the ensuing year, as laid down by the board, is as follows:

High school principal.....\$1,700
First assistant.....1,500
Second assistant.....1,400
Public school principal.....900
All others.....500

The statutory salary minimum for public school teachers is \$850, but there is a provision that this can be lowered on the approval of the minister. This approval has been given.

The board will hold an additional meeting on Thursday, June 22, to consider all applications.

ATHABASCA KID REFUSES TO MEET PATSY O'BRIEN; CLASSY EASTERN BOXER TO SUBSTITUTE

On the evening of July 1st Frank Delaney will present another of his fight cards, this time at the Wapiti arena, commencing at 8 o'clock.

The promoter was forced to make a change in one of the principals of the main event.

Although he signed a contract to meet Pat O'Brien, who he defeated last November, he was unable to get another man to meet O'Brien. The fact of the matter is, it appears, that the negro is afraid to meet the Irishman.

As considerable expense, in order not to disappoint the fans, promoter Delaney must suggest a substitute. He has suggested that a white fighter, known as the "Athabasca Kid," should be substituted for O'Brien.

As a reliable information, Whitehouse has an enviable record. He is a former Dominion amateur middle-weight champion. Of late he has been

Interviewed by The Tribune reporter, Mr. MacKenzie said that it was his first trip into the Peace River. "I am somewhat getting into the country, but when once in it is certainly worth seeing," he remarked.

Mr. MacKenzie explained that his company is purely an Alberta concern and he was pleased to say that the new was decidedly better this year than last and collections slightly better.

He is an enthusiastic golfer, and naturally didn't miss a chance for a round of golf at H. H. Hill. Discussing the golf course there, he said some have very good reasons to be proud of their grounds. "The location is one of the most delightful I have ever visited," he stated.

Interviewed by The Tribune reporter, His Lordship A. H. Sovereign, newly appointed Bishop of Athabasca, said:

The Peace River country has always had a call for me personally and I am glad to be here. It is a land of adventure and I see in it an empire in the making. I feel that we are all building. It seems to me that "We build" would be a good motto for this country. We have every material at hand for building up a great country.

Continuing, His Lordship observed: "I am glad to be here, for in the Yukon I followed the great Bishop of Athabasca, and now I am here to follow him. I take over a diocese which has been growing and prospering. In all of our building in this new land it will be the spiritual foundation that will make our land truly great."

In referring to the church work His Lordship said: "I am very pleased with the work of the faithful and lay workers in the diocese. They are the backbone of the church."

He has also been impressed with the spirit of co-operation and the various denominations working for the spiritual well-being of the people.

He will be going to foster that Christian principle.

His Lordship, who is a pioneer by instinct, concluding the interview, said: "I am sure that the people of this country are of the best and that there is endless opportunity for it. It is not only the best land but the best people."

Noted Preacher To Speak Here

The Rev. Dr. G. A. Dickson, president of the Alberta Conference of the United Church of Canada, will pay an official visit to the Grande Prairie district from June 30 to July 4, after which he will leave for the north side of the river to visit the Peace River Presbytery.

Dr. Dickson will speak in St. Paul's United Church on Sunday evening, July 2, and his visit is creating considerable interest among the members of the Grande Prairie congregation, many of whom have been members of his church in Calgary. As minister of Knox United Church in that city for several years, Dr. Dickson has had brilliant career as preacher and has long been known for his leadership of that church until today it is the largest congregation of the United Church in Alberta, having about two thousand members.

A Scotman, who once worked coal mines and later received some of his ministerial training in Edinburgh, Dr. Dickson brought to his ministry an understanding of the problems of the men on the street. He has found a warm place in the hearts of thousands of his parishioners. Though still a comparatively young man, he has well deserved the honors which have been bestowed upon him. The crowded congregations which have waited upon his ministry at Knox Church testify to the effectiveness of his message.

Dr. Dickson is not only a gifted preacher, but a man of great executive ability when he organized a campaign in his congregation in 1920, when he introduced the depression, by raising \$10,000 in one year toward the maintenance of his church.

Dr. Dickson will also speak at the patriotic celebration to be held in Grande Prairie on the morning of July 1, in connection with the celebration being held by the Agricultural Society.

George's Melotone Make Fine Impression

A fair-sized crowd turned out to the concert given in the Capitol on Tuesday evening by George's Melotone. The members of which come from the Peace district.

The music was well rendered, the ladies and men quartettes being really excellent. One of the highlights of the evening was the singing of a number of choruses during which he accompanied himself on the piano.

The manager, George Howell, is to be congratulated on organizing such a talented group of artists. It is a safe prediction that should this company visit Grande Prairie again they will have a packed house.

The company played Hattie on Wednesday evening and before turning home will visit all the principal points in the Peace River.

GOOD BALL PLAYED BY SEXSMITH AND TEEPEE

On Friday evening last Teepee Creek baseball team, with a fair sprinkling of supporters, travelled to Sexsmith to test out their strength against the Sexsmith ball team, or the remnants of same, who were gathered up.

The batteries were Teepee Creek—H. Pink and E. King; Sexsmith—Fred McNaughton and "Frenchy" Ringette. Teepee Creek went in first and scored two runs, and in this frame Sexsmith answered three runs.

The second inning went even with two runs each.

The third showed two good eggs. In this inning a beautiful triple play was pulled off by Sexsmith. Teepee Creek had a man on first and second. The third man to bat batted out a long fly and Bill Hall, who was playing center field, after a desperate chase for it, and with the sun, which was setting low on the horizon, threw it in his eyes, caught same and passed it to Brown on second, who caught his man out and delivered the ball to Frank Perry, captain of the Mayflower, on first. King then hit to put his man out of the running.

In the fourth inning Teepee Creek went out one, two, three, and Sexsmith scored four runs.

The fifth and sixth were blanks for both teams. In the fifth a double play was pulled off by Sexsmith. Teepee Creek was batted out a grounder, which was caught by Brewster, putting out the man who was travelling to second, and then threw the ball to Perry in time to put him out.

In the seventh Sexsmith scored one, and the game was then called on account of darkness.

Considering the small amount of practice that either team had, the game played very snappy ball. Fred McNaughton particularly did good work.

The final score was 10 to 4 in favor of Sexsmith.

Mr. Magee of Teepee Creek referred the game and there was no kick from either side as to his decision.

The Melo-Melotons played at the "Blue Lanterns," Sexsmith, on Monday evening, June 19. These people should be well received, as the entertainment they give is both wholesome and harmonious.

Mr. men's quartette, a very fine tenor included gave a very nice exhibition of real talent and a fine recovery.

TRIBUTE WRITER SAYS HE BELIEVES THIS NATURE STORY

Bob Wigmore, who has become famous for his birthday tributes, had rather an experience the other day. He was out for a walk in the woods near Brother's farm when he heard what he thought was an aeroplane coming.

He looked up and saw a big hawk with a full-size chicken in its claws, no doubt taking it home for dinner. Bob threw a stone at the hawk, but the distance was too far, and the chicken was no doubt by this time close to his father's.

We believe this story, as Bob is like George Washington and cannot tell a lie.

ATTEMPTED TO WALK FROM ITALY TO NORTH POLE ALONE

Giant's courage was possessed by Anton Gillingberger, a dwarf of Milan, Italy, as he decided to walk to the North Pole alone. He went to Norway and got a Polar outfit and dogs, then went to Greenland. Eventually his supplies gave out and he killed and ate his dogs, only the last one escaping by running away. He was left stranded on the icefields starving to death. There he was found by the explorer Rasmussen, lying in the snow and too weak to walk. The exploring party adopted the tiny man and nursed him back to life. They kept him with them for the two years of their exploration. At present he is planning a walking trip to Africa, and may later set off for the Himalayas.

"QUALITY AND LOW PRICES"

Grande Prairie TWO STORES Sexsmith

At the 19th Hole

The following have reached the 19th hole in the match play handicap tournament at the Richmond Hill golf course: McMillan, Gibson, Hark, Carroll and Evans.

McPhee lost to Cady in the 32nd, and the latter was defeated by McMillan in the 19th.

Farewell won his game against Ruse in a very close contest, two up.

Nelson of Wembley, in his game with Fleming, took the long end of the score.

"Bill" Hall of Sexsmith won his game against Rogers of Wembley.

"Jack" Sissons, playing his usual steady game, never off the fairway; took "Bill" Sharpe into camp.

The game between Gurnett Pratt and G. Duncan ended in a win for the latter, one up. The score for the first round: Pratt, 51; Duncan, 47. Second round: Pratt, 56; Duncan, 47.

Jim Dickard went into the 10th bracket by defeating Gordon Orr in a very close game. Gordon Orr was doing everything he should have done, and Dickard was going strong right from first to last.

Buck won his game against "Bill" Pratt, going into the 19th. "Bill" says the only thing wrong was that his handicap was not large enough. He says to watch him in the next tournament.

Jim Evans won his game against Tom Crumley. Jim with his handicap of 14 will make it hard for the best players, having turned in a card of 47.

There is quite a lot of pressing on as to who will land in the 4th bracket. Some say: McMillan, Sissons or Duncan, Culver and Evans.

Nelson is two down in the first nine holes in his game against Duncan.

In the match between C. Cady and A. B. McMillan, after the first nine holes it looked as though Cady had his lead of three up. McMillan turned in a card of 56 and Cady a 60. McMillan made a wonderful come back in the second nine holes, cutting 14 strokes off his first round for a 42. This is the second time this season that "Mac" has turned in a 42. The match was all square at the seventh, and McMillan won the last two holes.

Go Western, young man, go Western! That's the advice offered to Alberta's movie-minded youth by Clark Gable, featured with Carole Lombard and Dorothy Mackall in Paramount's "No Man of Her Own" at the Capitol Theatre next Monday, Tuesday and Wednesday.

Lake Gary Cooper, Richard Arden and many other film stars, Gable's first important screen role was in a wild-and-wooly Western. Unlike the others, however, Clark wasn't the hero, but was the headstrong, gun-toting menace. In his recent films, he's been playing the role of a cowboy.

Surprise Shower To Clairmont Bride-to-be

A large number of ladies of Clairmont and district met at the home of Mrs. J. W. Callaghan, Clairmont, on Tuesday evening, June 20, to give a surprise shower to Miss Marie Callaghan, who is to be married to Mr. Howard Wiegand, formerly of Clairmont, on Wednesday, June 21.

The gifts were many and beautiful and the evening in the room by the young lady is held by the people throughout the town and district.

A large hand-wagon was very artistically and appropriately decorated and was pulled into the room by little Jean McGregor, loaded with the "Bride" gifts. A large doll, dressed to represent a bride, was placed on the summit.

After the many parcels were opened a dainty supper was served by Mrs. J. W. Callaghan, assisted by Mrs. W. W. Callaghan, and Mrs. J. McNell.

Each and everyone present extended to the bride-to-be the warmest wishes for a happy future, and in reply she thanked them for the tokens of friendship and the kindness expressed.

CLAIMS MEN ARE THE WORLD'S GREATEST LIARS

History's accounts of Captain John Smith being saved by Pocahontas of Washington's love for veracity—told by a noted Indian—have been noted by the imagination of American historians.

"They are, in fact, two of the finest pieces of lying ever invented for the purpose of making a man a hero," Dr. Henshaw said in an address before the Pennsylvania Historical and Antiquarian Society.

Dr. Henshaw's topic was "The Great Lie in History and Fiction." He said, "Caesar and Napoleon are lying liars, and the same is true of the great men of the world."

"You can count the really great liars on the fingers of one hand—and there are not one woman among them," he declared.

unanimously adopted.

The question of handling non-contract products, after being introduced by Mr. Green, took up considerable time. The members were asked to vote on a plan to put the vote was put on and on a close ballot it was decided to handle only contract products.

During the discussion attention was directed to the amount of business reported to be going on—a practice which was not conducted to the success of the organization and one which was condemned by the various speakers.

J. Powell, director, in speaking to the question, said that with shipping rates non-contract products should not be carried, but if the shipping rates were higher, then he thought the organization should handle non-contract stock.

The matter of drawing up a new contract was considered at length. It was pointed out that the present contract, although a continuous one, can be terminated in 1934. The meeting was in favor of drawing up a new contract and in the meantime this will be done. A drive for new contract members was decided upon.

The debarring of cattle was dealt with. It was suggested that the new contract carry a penalty on horses and cattle except where a shipper should be allowed and this should be done at his own risk. This suggestion was embodied in a motion.

The failure of the Central Pool was discussed at some length. The speaker, Mr. Gerald Johnson, who attended the meeting at Edmonton, in his report said that it was decided that the Central Pool go into liquidation and that a new organization be formed.

Director Powell, after giving a detailed report, said that it was decided to continue to be as a new pool if care and caution were taken when the organization should not be successful.

Win. Young, former manager of the Central Pool, after acting as witness at the Edmonton stock yards, was present and addressed the meeting.

R. M. Ribbert, accountant for the Central Pool, reported on the financial condition of the pool, which was satisfactory.

The bout is scheduled to go ten rounds.

Miss Wheeler of St. Glace will meet Jim Ferguson, the young giant of Spirit River, in the semi-final, billed to go six rounds. This will be the second time that these two fighters have met. Their encounter here, which occurred some time ago, will long be remembered. It was of the roughest variety, Ferguson winning on a foul. Another spectacular fight will be looked for.

Kim Thomson of Hythe, who is a favorite with local fans, is matched with Joe Prender of Grande Prairie.

Battling Calvin Gibe of Riverton will make such a fine impression here in his fight on Donald's last bill, will make it with Barney Halgard of Hythe in the rounds. Both these scrappers are willing fighters and the fans can't wait.

All the other boys appearing on the card have been carefully matched and the evening of real entertainment will be looked for.

"If you go to the limit there will be 55 rounds of milling in all. This should satisfy the most ardent fan."

The meet in the arena have been arranged with a view of allowing the people a good view of the ring. The seating plan is on view at the Grande Prairie Hotel.

H. B. RECORDS POSTS TRADING CAREFULLY KEPT

"Never has the frontier life of any country been as carefully recorded and as thoroughly documented as the journals of the fur traders of the Hudson Bay Company in Canada," said Douglas Mackay, speaking to the Kinmen's Club of London.

"Under the terms of the original charter of the Hudson Bay Company, remains the property for all the company's archives, and the gathering of these from the posts and outposts a few years ago resulted in an accumulation of nearly six tons of documents," Mr. Mackay declared. The work of organizing and cataloguing this material has been proceeding under the direction of the company's archivist in London.

At the present time, this vast quantity of historical documents, which is in reality the richest source of material of western and northern Canadian history, is in better shape than the volume of accredited historians than ever before.

How can a man who is officially declared dead be made to pay an income tax? That is what Jean Baptiste Arnaud, 57-year-old roofer of Moncton, N.B., asks the courts.
